General terms of registration for purchases of tokens and terms of use

Copyright notice

All news reports and images on the www.sta.si website are protected by copyright under the Copyright and Related Rights Act.

It is forbidden to copy or in any way reproduce the contents on the website without explicit written consent from the STA or without permission in the relevant news and photo service agreements.

Details about the terms of use are available at: <http://www.sta.si/en/pogoji.php?s=a>

All content is intended solely for personal and non-commercial use.

Registering username

Registered users will be placed on a list of recipients of notices on new STA products and services. Users can choose to stop receiving these notices under the "My Account" section.

STA promises to safeguard all user data. It will use it only for internal purposes and will not forward it to third parties without the consent of the user.

Registered users can request of STA to stop using personal data for direct marketing at any time.

STA has 15 days after being given notice to halt the use of personal data for direct marketing purposes and an additional five days to inform the user in question of the change. STA carries all costs related to this.

STA reserves the right to change the Terms of use and registration without prior notice.
